

Milwaukee LGBT Community Center

Dear Friend,

Learn how your business can become a Milwaukee LGBT Community Center Business Partner

Our Business Partners are businesses that provide services to the LGBT community. All interested businesses are welcome to participate. At the Milwaukee LGBT Community Center, we believe that the Business Partnerø Resource Guide will provide ongoing and constant opportunities that directly engage your target audience. We recognize traditional business objectives to increase profits and look to develop opportunities that result in positive returns on investment for your business. We also know that the LGBT community is very brand loyal to those businesses that support our organizations and activities, thus giving back to the community.

For a donation of \$120 annually Business Partners receive:

1. **A listing in the Milwaukee LGBT Community Center's Business Partner's Resource Guide.** Business Partners will be listed in our online Business Partnerø Resource Guide for a period of one year. Your listing will include a logo hyperlink to your website along with a description of your business (400 characters or less).* Since the launch of our redesigned website in March 2010 the current resource directory has been the most visited page on our website. To view the Business Partners Resource Guide go to www.mkelgbt.org/
2. **An advertisement with hyperlink in the Milwaukee LGBT Community Center's bi-monthly e-mail newsletter once a year.** Our bi-monthly e-mail newsletter goes out to 3,000+ individuals in the Milwaukee Metro area. We have been sending out the newsletter faithfully twice a month for over a year. Since there are only 4-8 ads in each newsletter, your ad will definitely get noticed. Ads are 300 pixels wide by 250 pixels tall with a hyperlink to your website. You can submit your own ad, or the Milwaukee LGBT Community Center will work with you to create one.*
3. **Featured Business Partner of the week on the Milwaukee LGBT Community Center's website homepage.** Once a year you will be featured along with 3 other business partners on the Milwaukee LGBT Community Centerø website home page for one week. Ads are 300 pixels wide by 250 pixels tall with a hyperlink to your website.*

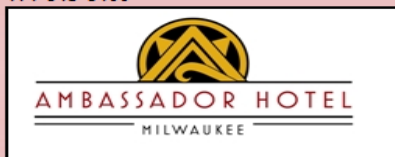

If you would like to be listed as a Business Partner, please contact Brion Collins at 414-292-3076 or by e-mail at bcollins@mkelgbt.org. You may make your donation of \$120 by check or if you prefer, the Milwaukee LGBT Community Center can take your credit card information over the phone.
